

Sinterklaas In Houston – 2026

Sponsoring the Sinterklaas In Houston event is a great way to support the Belgium and Dutch community in celebrating this old holiday tradition. Through the 2026 Sinterklaas in Houston committee and with support of The Dutch Heritage and culture foundation we aim to give children and adults a great event and a unique opportunity to meet Sinterklaas.

We have different sponsor levels available as you can see below. Of course, you're also more than welcome to sponsor with a different amount or in a different way.

- When you sponsor your name or company's logo will be displayed on all main communications. AND:
- Brand Visibility at the event: Your company's flag, banner, or poster will be prominently displayed ensuring maximum visibility to all attendees.
- Promotional Materials: You can distribute your company's brochures, promotion items or similar items at the sponsor table at the event,
- Goodie Bag Contributions: If interested, your company can contribute items (120 pieces) for the goodie bags that each child will receive, offering a unique way to engage with our younger audience. If more pieces are delivered we will add them to the special gift we have for our volunteers.

Please sponsor this event and select one of the options and/or let us know your preference:

- 1) Hoofdpiet - Chief Piet - \$ 900.-
- 2) Pakjes Piet - Present Piet - \$ 600.-
- 3) Snoep Piet - Candy Piet - \$ 300.-
- 4) Strooi Piet - Sprinkle Piet - \$ TBD (Your preferred amount and donation in goods).

This year we have a special extra opportunity:

For \$400 your company can borrow the Sinterklaas and Piet costume for your own celebration between November 20 and December 7!
